At Faulkwood Shores Golf Club, it is our goal to provide you with the best and most enjoyable playing experience in the Livingston County area. If you are looking for a course in great shape that will give you the most value for your dollar, then you'll love playing at Faulkwood Shores. Our golf course features a par 72 measuring over 6,800 yards with two contrasting nines. With the first nine, while forgiving off the tee, has very challenging greens. The second nine is cut through tight wood lines for a northern Michigan feel.
