#### GOLF COURSE RULES

In setting these rules for the use of the Golf Course, the management is in no way attempting to restrict the enjoyment obtained from playing the course. It is however, necessary to follow certain procedures to ensure maximum enjoyment and safety to all golfers. It is hoped that pride in our Club, together with the thoughtfulness and consideration we afford our fellow golfers, will make enforcement of any rules unnecessary.

1. The rules of golf from the United States Golf Club (USGA) govern play.
2. The use of the Golf Course is supervised by the General Manager.
3. Without exception all players must register at the Golf Shop before playing the Golf Course.

5. All play must start on designated Number 1 tee unless otherwise directed by Club staff.
6. No more than four players per group are permitted unless authorized by Club staff.
7. Practice golf activities shall be limited to those areas of the golf course designated for such activities. Practice is prohibited to, or on, regular greens and fairways of the golf course.
8. The General Manager may establish certain days and times during which the course shall be reserved for special events and maintenance.
9. All paper, bottles, cans and other trash should be placed in a trash receptacle.
10. Each player must have a set of clubs and a golf bag when playing the course.

2. Carts are restricted to two riders and two bags and no more than 2 carts per 4-some.
3. During normal operating conditions, the 90-degree rule is always in effect. Carts are to remain on cart paths until reaching a point adjacent to where the ball lies. At that point, carts may be driven across fairway directly to the ball and should return to the cart path on the same line after the shot has been played.

4. The General Manager, Golf Professional and Golf Course Superintendent shall determine when golf cart operation is prohibited or restricted to paths only.
5. No personal golf carts are permitted on the golf course at any time.
6. Carts must remain on the cart path around all greens and tee complexes.
7. The driver of the cart always assumes responsibility for returning the cart in the same condition.
8. The driver is also responsible for any damage that occurs through operation of the vehicle.
9. Carts are never permitted on the shoulder or surface of any tee, green or bunker. The roped areas indicate the superintendent restricted areas for cart traffic. Exception: When handicap flag policy is in effect.

#### HANDICAP FLAG POLICY

The Club offers the use of Handicap Flags for golf carts for those individuals who, for medical reason, will benefit from their use. A golfer who submits a valid handicap parking permit from any government agency may be extended this privilege. Handicap Flag privileges may be suspended or revoked, with or without warning, for abusers of this policy.

1. The Handicap Golf Cart may be driven up to the green or tee.
2. AT NO TIME should a Handicap Golf Cart be parked or driven on the green or tee.
3. NO CARTS are allowed beyond the boundary of the course which is defined by out-of-bounds stakes.
4. In case of inclement weather or certain golf course conditions, carts may be restricted to the cart paths. NO HANDICAP PRIVILEGE will be extended for that time. If cart path only is limited to select holes, Handicap Privilege will NOT be extended for those holes so designated.
5. Handicap flag privileges are extended only to the person who has submitted valid documentation and has been approved for its use. This privilege does NOT extend to an additional cart rider or spouse that is not registered within the Handicap Flag Program.

5. Slow Play — Players are required to maintain a pace of play that keeps them up with the group in front of them. Rangers and/or Golf Shop Staff consistently monitor the speed of play and are required to enforce the following policy for the pleasure and enjoyment of the entire field:
  - First Offense: The group has fallen behind the group in front of them and has fallen behind the allotted time limit for their position on the course. The ranger will indicate your group is out of position and that you need to catch up to the group in front.
  - Second Offense: The group has not improved their position. The ranger will approach the group and inform them of their second warning and that the next offense will require them to skip an entire hole
  - Third Offense: The group has been warned properly and has not improved their position. The ranger will escort the group to the next hole.
